DARWIN CBD APARTMENTS NOW LEASING

www.arkaba.com

Arkaba is Darwin's most exclusive address for apartment living.

Perched high above the Esplanade escarpment and overlooking Darwin's magnificent Harbour and Waterfront, Arkaba captures spectacular views over the wave pool, lagoon, marina, Darwin Convention Centre, International Cruise Ship Terminal, Stokes Hill Wharf, East Arm Wharf and the under-construction Inpex Gas Plant.

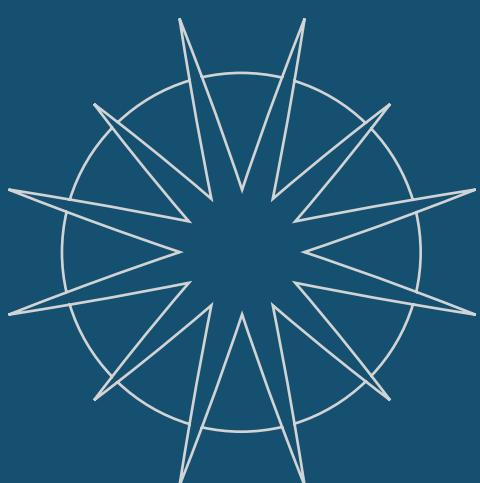

Imagine enjoying your morning coffee on your balcony atop the escarpment green belt while a giant cruise liner berths, or watching the activity and fun being had in the wave pool below as another wave set comes in.

All the leisure and action – wave pool, lagoon, Convention Centre, hotels and the many cafés and restaurants – is but a short stroll and elevator ride away across the Sky Bridge and down to Darwin's Waterfront Precinct.

Darwin's Premium Executive 3 Bedroom Apartments

The night time views are just as spectacular with the stunning lights of Darwin harbour, the Convention Centre, Wave Pool, Cruise Ships, East Arm Port, Wickham Point Gas Flame and all the lights and activity of general shipping in and out of Darwin Harbour.

Arkaba's exclusive esplanade address includes neighbours such as Government House, Parliament House and the Darwin Civic Centre.

Arkaba is also only a short walk away from the Darwin Mall and Mitchell Street's cafes, restaurants and night clubs.

This boutique twin tower complex of only 26 apartments per tower is the epitome of Darwin living with stylish 3 bedroom apartments containing huge balconies for outdoor entertaining.

Arkaba is Darwin's version of Circular Quay; boasting the most privileged CBD address, location and views in Darwin.

All apartments come fully furnished and fully equipped with an Executive level furniture package including appliances, linen, cutlery, crockery, artwork & mirrors.
